## ABOUT US

After several years of renovating a house from 1882, Fritz's has established itself as a fast casual restaurant in the heart of the Easton Avenue neighborhood. We have created a cozy environment that is perfect for lunch away from the office, a study break snack or dinner with friends.

We serve our sandwiches on house-made breads featuring fresh roasts, as well as vegetarian and vegan options, with house-made sauces. We don't stop at sandwiches, but also offer over 40 different scratch-made desserts and bakery treats. Our menu and bakery options will change with the seasons as The Garden State inspires us.

Our team is skilled and passionate about creating great, fresh food. Our Chef/Owner is a graduate of Rutgers University and The French Culinary Institute in New York City and our Pastry Chef is a graduate of Johnson & Wales.

Owners Jonathon Guarino and Robin Varga are long-time New Brunswick residents and are excited to share innovative and delicious food with their city.
